

WORKSHOP DIRECTOR/PATRON'S MESSAGE

Prof. (Dr.) K. K. Saini
Director-Principal

B.E(ECE),M.Tech(ECE),PhD(ECE),MBA(USA)

Prof. Saini has 27 year of teaching, administration and research experience from a Lecturer to Director General. He has served as a Deputy Director in AICTE, New Delhi. For further details contact to his website WWW.DRKKSAINI.IN

The workshop will help the students (UG as well as PG) and faculty members to clear their basics about MATLAB and enhance their knowledge in the same as well. Also, the workshop will facilitate the participants in improving their knowledge about ROBOTICS.

HOW TO REACH US:

COURSE CONTENTS

The workshop discusses about:

Day 1:

- Mathematical operations in MATLAB
- Plotting graphs in MATLAB
- Digital Image Processing in MATLAB
- Image Acquisition and Processing

Day 2:

- Introduction to Robotics
- Introduction to MATLAB GUI
- How to create a GUI
- Program for MATLAB GUI control Robot

WHO CAN ATTEND THE COURSE?

The workshop is aimed to attract and bring together Faculty Members, Engineers, Technical Staff, Research Scholars, UG and PG students from Academic and Research Institutions. The participants will be benefitted immensely and will get new insights and knowledge about the topic through close interactions/discussions with the Senior Faculty Members and Experts of the respective field during the lecture sessions as well as in some laboratory sessions.

REGISTRATION

Registration Fee: Rs300/-

Last date for registration: 16th March 2017

Registration will be first come first serve basis. As seats are limited, early registration is recommended.
