

HINDU COLLEGE OF ENGINEERING

The Hindu College of Engineering (Est. 1999) is embarking on an exciting new era of growth and development. It has come up as an icon of technological learning with a motive to foster a spirit of free and objective enquiry among the students. It instills a sense of purpose to education and helps young learners to develop balanced and integrated personality. It stimulates both heart and mind of scholars and empowers them to contribute to the welfare of The Sonapat Hindu Educational and Charitable Society (Est. 1914).

Department of Electronics & Communication Engineering

The Electronics and Communication Engineering (ECE) Department has a rich environment in research and teaching. The research interests of the students and faculty members of the department encompass the wide area of applied and fundamental aspects of Electronics and Communication Engineering. Collaboration in between the research groups of the department and with other departments is also a practice.

VIRTUAL LABS

Virtual Labs have been designed to provide remote access to labs in various disciplines of Science and Engineering. These Virtual Labs cater to students at the undergraduate level, post graduate level as well as to research scholar. Virtual Labs enable the student to learn at their own pace, and entuse them to conduct experiments. Virtual Labs also provide a complete learning management system where the students can avail various tool for learning, including additional web sources, video-lectures, animated demonstrations and self evaluation. Virtual Labs can be used to complement physical labs. Virtual Labs enable the user to perform experiments remotely as an on-demand service over the web.
