FROM CHIEF EDITOR'S DESK

I think hardwork with dedication, discipline, self-confidence with honesty and right education among youth can remove poverty, illiteracy and unemployment in the country. HCE has grown abundantly in the recent past. It continues to sustain its growth. We still believe in Robert Frost's lines from the poem

"The woods are lovely, dark and deep.
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep."
